Technical assistance

If technical issues prevent you from registering or filing with the Form 990-N electronic filing system, try the suggestions below. If the problem still exists after trying all of the suggestions below, contact IRS Customer Account Services at 877-829-5500 (a toll-free number). Take the following steps to prevent problems during the registration and filing processes:

- **Review the instructions given in this document.**
- **Close multiple browsers when registering.**
- **Do not use a smart phone to register or file your Form 990-N.**
- **Use correct text characters when registering and filing.**
Ensure that you use only letters, numbers or a hyphen when entering text fields. When choosing a **password** on the Security Profile page, ensure you only use only letters, numbers, !, or #.
- **Check your spam/junk email folders.**
When registering or requesting a user-identification reminder, check your junk/spam email folders for a response. The email may have been filtered out by your email program.
- **If you receive a “Registration Error, Unauthorized Access” warning when you hit the SEND button while registering,** ensure that you are not using a computer on a shared network. Please try to register on a non-networked computer.
- **If the suggestions above don’t resolve the issue,** sign out of the filing system (if logged in), **close all programs and shut down your computer.**
Wait a minute, restart your computer and try again. This step is required before calling the Customer Account Services line (877-829-5500) for technical help.
